

**IT'S NOT A MASCARA.
IT'S A LASH PLUMPER.
AND IT'S THE TALK OF THE TOWN...**

“I’ve got some wimpy lashes, but this helps me fake it for sure.”

- beautyjunkiesunite.com

“My lashes look plump and full and don’t clump.”

- Casey, Dallas TX maxfactor.com

“One swipe of the brush and my lashes already looked longer and thicker.”

- advicesisters.net

“This is a super-clean formula with no clumps.”

- beautyjunkiesunite.com

New 2000 Calorie Extreme Lash Plumper, as worn by Gisele Bündchen.

Plump, luscious lashes don't happen with traditional mascara. Introducing a lash plumper available outside those expensive stores! The amplifying formula and brush wrap lashes from root to tip, taking them to voluptuous extremes. You'll get loads of lash, without spending loads of cash.
